exchange customers in North Carolina and Georgia – for a total of 158,000 additional local exchange customers.

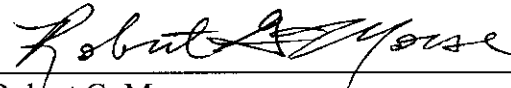

- Clarification of ILEC Overlaps. Page 12, footnote 22, includes a brief description of the ILEC-CLEC overlaps resulting from the proposed transaction. The detailed information regarding ILEC-CLEC overlaps provided at pages 9-10 of the application is correct. Thus, by this filing, Applicants correct footnote 22 to clarify that the overlaps affect only *eight ILEC* exchanges, as described at page 9. (Although, as described in the application, there are additional CLEC-CLEC and CLEC-greenfield overlaps.)

An original and ten copies are being filed with the Secretary's office, and a separate copy is being submitted via ECFS in the above-referenced docket. Please contact us if there are any additional questions.

Respectfully submitted,
